Tax Consulting

Tax law is relevant to every major business and investment decision.
Understanding the latest developments in tax is difficult.

The Cummings Flavel McCormack tax consulting practice works with clients to evaluate the taxation risks and benefits applicable to their business and investment plans.

We are proud of our ability to untangle the complexities of tax law to produce commercially practical tax advice that the client can understand and act on with confidence.

We have significant breadth of experience, having worked with successive governments in tax law development and holding key positions on advisory and education committees with professional tax bodies.

David Kent, Michael Jones
and Neil Flavel lead
a group of dedicated
taxation professionals.

I UNDERSTAND the needs of small business owners.

After all, I am one too.

My small business is just like yours. It comes with long hours, different management roles, the challenge of keeping staff and customers happy, as well as the odd sleepless night. The only difference is, my business is a BOQ branch.

As a BOQ Owner-Manager, I not only run my local branch, I own it as well. This gives me a greater understanding of what my small business customers go through each day. It also allows me to really get to know my customers and give them the personal service and timely decisions they need to help their business succeed.

*Talk to the Bank with
Owner-Managers!*

To find your local Owner-Manager
visit boq.com.au
or call 1300 737 766.

The BOQ logo consists of a blue square with a yellow vertical bar on the left side, and the letters 'BOQ' in white, bold, sans-serif font inside the blue square.
